

Southern Pacific Masters Swimming Member at Large Report

Prepared for Thursday, November 21st, 2013 SPMS Committee Meeting

The annual in person meeting is November 21 at El Torito 3301 Atlantic Ave, Long Beach CA.

The awards committee is discussing the candidates for Swimmer of the Year (Male & Female), Jim Marcus, and Steve Schofield Awards. Plaques will be presented during the SCM Championships meet held this year in Commerce Dec 6-8.

Last year was the first year we requested nominations for the awards and we had many different people nominated including some who are low profile and probably would not have otherwise been known. This year we had a dearth of nominations and sent an email to all club reps and still had insufficient nominations. The committee is considering people who were not nominated and is determining guidelines for future awards committees if a similar shortage occurs again.
