LCM Meet Update attended by Kenny Brisbin:

-June 28th – Yucaipa LCM.

Attendance was good with 56 swimmers which doubled their number from last year. The Mayor of Yucaipa who is a Masters Swimmer was also in attendance. Meet started on time and first event was completed but then we had lightning strikes and after 3, 30 minutes delays the meet was cancelled.

-July 3rd – 5th San Luis Obispo Dual Sanctioned Meet

Very well attended meet with 28 Masters Swimmers at Dual Sanctioned Meet. It was interesting to see young teens swimming next to adults. What was more amazing was seeing Father/Son or Mother/Daughter competing in the same heat next to each other. USA Rules a bit different from USMS for butterfly kick so had a few DQs.

-July 11th – Santa Barbara LCM.

Over 80 swimmers in attendance this year and the meet ran well. Only concerns, missing Lap Counters and food for the swimmers.

Upcoming SPMS Meets:

-August 14th-16th – SPMS/SW Zone Summer Championships (MVN)

-September 5th-6th – West Hollywood Sports Festival Yards (Short Course)

-September 27th – Mission Viejo Nadadores Short Course Meters

-The Meet Operations Committee continues to work on the 2016 SPMS Meet Calendar and bid information for the 2016 Championship Meets will be posted shortly.
