Member at Large Report

Nomination for Arthur J Ransom award is on track and will be submitted before the March 15 due date. The awards committee decided that the SPMS nominee will be Mark Moore.

I attended the Saturday session of the Rose Bowl meet February 10th. It was a very well run meet, and there were deck marshals on deck and an appropriate number of timers. Swimmers I spoke with gave positive feedback, and they like the format with the short events Saturday and the longer events the Sunday.

I will be attending the Matt Biondi meet March 18th, SPMS regional championships in April, and potentially the UCLA meet.
