We have ~4.0% fewer members this year (3,775) than last year (3,932) at this time.

Recent member requests via phone calls and emails:

- Swim meet and open water schedule and registration links: SPMS and non-SPMS members want our event information earlier, especially for regional events, than the current schedule so they can plan their trips.
- Committee members want meeting minutes sooner so they can execute timely tasks
- Send E-newsletter submissions as soon as you think of the topic

Our members and all of USMS looks for our LMSC to lead.

U.S. Masters Swimming Spring Nationals was well-attended with ~2,000 swimmers.
