 Female Swimmer of The Year: Bonnie Spivey

USMS Awards:
 Nothing to report at this time.

Member at Large

Attended the UCLA SCM meet October 27th. I was only able to attend for a couple of hours as I had to catch a flight for a business trip. The meet was well run, the volunteers were friendly, and people seemed to have a good time.

Attended the SPMS SCM Championships meet December 6th through 8th. The Grunions hosted another successful meet. This one was a bit shorter than in recent years, which was well received. All feedback I heard was positive.
