

SPMS New Business

I am relocating to western South Dakota, this July.

I currently own Competitive Tri-Swim Masters (CTSM) LLC and I am in the transition stage of transferring our swim program over to Golden Road Aquatics per the requests of our coaches and swimmer representative, so the swimmers can continue to have their program at the pool we currently use. I plan to transfer my Competitive Tri-Swim Masters (CTSM) LLC to South Dakota.

At this time, the members of CTSM have all been transferred to Golden Road Aquatics.

USMS Rule #201.2.4 Club Changing LMSC Affiliation

I am the sole owner of the masters club/business. I am requesting to be able to change the Competitive Tri-Swim Masters (CTSM) LLC LMSC affiliation from Southern Pacific Masters Swimming LMSC to the South Dakota LMSC.

I have submitted my request for CTSM's LMSC affiliation change to the South Dakota LMSC from the Southern Pacific Masters Swimming LMSC.

I am requesting the SPMS LMSC request for a vote to approve the LMSC affiliation change for CTSM, as new business, for our June meeting on Thursday, June 17, 2021.

Thank you for your time & consideration.
