

USMS Legislation Committee Report

February 24, 2022

The USMS Legislative Committee met on Monday February 21, 2022, for the first meeting of the year. This was primarily an organizational meeting; however, the following items were discussed:

- Two LMSC's are planning to merge this year. The deadline for submission is February 1, 2022.
- Streamlining HOD meeting will be reviewed. This possibly includes housekeeping items and using the terms – adopt proposal or reject proposal to ensure language is clear at HOD.
- Looking at Items 504.2.5 and 504.3.1 to determine **who** has the power to set the annual meeting and the agenda.
- There **is** going to be an annual meeting in 2022. The time and place have not been determined. There may be a hybrid option. It will be a shorter meeting.

The next USMS Legislative Committee Meeting is planned for March 28 at 4:30 PST. Send any items for consideration to Diana Dolan LaMar who representing SPMS on this committee.
