As of April 15, 2021 (last year), we were at 3,356 members, so we are ahead of those numbers so far in 2022. The March and April re-registrations are now running ahead of 2021 in the same months.

Seventy (70) clubs have renewed their registration since October 1, 2021. This is one more than the total in 2021.

538 self-identified coaches have re-registered so far for 2022; this is well above the total for 2021.

Standard processing of registrations, transfers, and donation letters. Membership card processing is now paperless.

Sent out several blast emails including meeting reminders.

There were an unusually large number of club affiliation changes (Club Transfer forms) made in March and early April. Most were related to the IGLA meet.
