

Open Water – Christie Ciraulo

Two seminars on open water presented by

1.
California Water Safety Coalition Webinars - Open Water Safety
Webinar with CWSC

By now (as of this morning) I should have attended this one-hour webinar focused on open water drowning prevention. This session covers water safety topics pertinent to beaches, lakes and rivers, including presentations from the California Department of Boating and Waterways, the National Weather Service, and others. I can give more details during the meeting tonight. (not USMS sanctioned)

2.
