**Remove stricken section and renumber.**

~~402.4.7 Any nonconsensual sexual conduct, pattern of unwelcome sexual advances, or other inappropriate sexually oriented behavior or action by a USMS member toward a member or any other person participating in any capacity whatsoever in the affairs or activities of USMS.~~

**Rationale:** *This section establishes USMS and by extension the NBR as illegal law enforcement agencies. Neither are suited to perform any such enforcement. USMS is a sporting organization. The described type of behavior – anywhere – is rightly handled by facility security or local law enforcement.*
