November 10, 2024

Submitted by Diana Dolan LaMar

Thank you for your confidence in electing me as the new Top-Ten Contractor and keeper of the SPMS Top-Ten records. This is a true team and collaborative effort, and I appreciate everyone's help with the transition.

The unofficial USMS LCM Top-Ten rankings are posted on the USMS website. The deadline for any changes for USMS LCM Top-Ten rankings is November 18, 2024.

Please let me know if you have any questions and/or concerns with the preliminary USMS postings prior to the official deadline.

Thank you.
