

Hello Katie,

Congratulations to Rob Putnam of Pikes Peak Masters the 2024 COMSA Lou Parker Coach of the Year! Congratulations to Eric Neilsen on being awarded the 2024 COMSA Jack Buchanan Service Award! Both of these well-deserving recipients were awarded during the Annual COMSA Meeting at the 2024 COMSA State Meet in Grand Junction this past weekend.

Foothills Masters Swim Team took home the 2024 COMSA State Meet championship keeping their winning streak alive! Congratulations to all of the Foothills Masters swimmers and coaches! Job well done! The Top 10 Teams were:

1. Foothills Masters Swim Team 1,663
2. FAST Masters 1,265
3. Thornton Masters 728
4. Jeffco Aquatic Masters 636
5. Bee Gees 566
6. UC32 557.5
7. Pikes Peak Masters Swimming 470.5

Thank you to the 2024 COMSA State Meet Coordinator Sean Phelps, Kelsea Wright Assistant Coordinator, Doug Garcia and so many more! It was great having the CMU Men's and Women's Swim Teams timing and volunteering to allow the meet to be a success in and out of the pool! I personally enjoyed meeting each of the swimmers who were timing and learning about their own swimming careers and futures. I personally think it was good for them to see that their time in the pool doesn't have to end when their collegiate career is over. Masters swimming offers so many benefits for lifelong health and success!

We also bid a fond farewell to a beloved member of COMSA and CMS Jane Oberg. Read below to learn about her incredible swimming career that has spanned a mind-boggling 9 decades!

Happy Swimming!

CONGRATULATIONS ERIC NEILSEN! 2024 COMSA Jack Buchanan Service Award Recipient

A special thanks and congratulations to Eric Neilsen for his commitment and years of volunteer service to COMSA. Eric currently serves as the COMSA Coaches Chair and played a pivotal role in putting on the 2023 COMSA State Meet including announcing!

Each year since 1983 COMSA has presented an award to one male and female who has made a significant contribution to Master's Swimming and COMSA. From 1983–2007 this award was named the Lt. Governor's Cup. In 2008, the award was re-named as the Jack Buchanan COMSA Service Award.

Congratulations to Jane Oberg - Life Well Swum!

Jane Oberg's swimming career has spanned over the last nine decades! She started out as an age group swimmer with her twin sister Judy. In the 1960s and early 70s Jane was a summer club coach for Lakewood Swim Team, coaching 8 and under swimmers.

In the early 1970s, Foothills Parks and Recreation District passed a bond to build a new pool closer to the Oberg's house, that they could ride bikes to. In the winter of 1973-'74,

Jane made a switch and became one of the first coaches of the Foothills Swim Team, which was still a summer club team at that time.

When Carmody Park Pool opened in 1974 (50 years ago!), it was an outdoor pool, and not covered. This would change a few years later, and Jane became the Aquatics Supervisor for the District.

Since then Jane has taught generations of swimmers including mom- tot, summer club, high school, and synchronized swimming. She also officiated and competed. She has coached her children and grandchildren along the way.

A few decades ago her twin sister started swimming master's with a team in Omaha, Nebraska. They needed an extra member for their relay, and Jane accepted. For a couple of years, she would show up in Omaha, and compete with her sister and the team there.

Since then, Jane has continued to compete with Colorado Masters Swimming, mostly to break some records along the way. She currently has 11 National Records, in addition to two more she broke this past weekend at the COMSA State Meet in Grand Junction.

Jane finished her competitive swimming career with the Foothills Masters Swim Team, at State Meet this past weekend, unless she is convinced to come out of retirement! Tom Brady did!

Get Ready for Open Water Swim Season!

Open water season is rapidly approaching. Water temps will probably be a bit chilly until mid to late May for most except the tough cold water swimmers but this does not mean that you can't start adding these events to your calendar. On the big news front, we are testing out the concept of a COMSA Open Water State Championship this year. For the first year, we have chosen the 2.5km distance at The Castle swim in Wellington Lake. For those open water swimmers out there, here is your chance to be a state champion in your age group!

USMS members also receive a 10% discount at the Mountain Swim Series events (Solstice Sunset, Carter Lake, The Castle) and the Horsetooth Open Water swims using promo code "COMSA102024".
